CATALOGUE 2023-2024

Beste klant.

Stone Senses by Stone Consulting biedt exclusieve en hoogwaardige natuursteen en afgeleiden.

Met 25 jaar ervaring in ontwerp, creatie en fabricage hebben we in de natuursteen industrie een high-end expertise en een netwerk van professionals opgebouwd. Wij zetten uw ideeën om in oplossingen.

Met onze participatie in **eigen groeves** en fabrieksunits in Marokko hebben we directe controle over de kwaliteit en levering van natuursteen. We leveren maatwerk, inclusief verpakking, pallets, labels, etc.

Ons professioneel personeel draagt bij aan een constante kwaliteit en service tijdens het productieproces.

Stone Senses by Stone Consulting verzorgt ook de nodige **documentatie**, zoals CE-certificering, DOP (Declaration of Performance). Alle bestellingen en leveringen zijn traceerbaar via track and trace. We blijven communiceren.

Door ons **lidmaatschap van BNSA** (Benelux Natural Stone Association) zijn we betrokken bij de industrie en houden we ons aan strenge normen en richtlijnen. We zijn ook actief lid van **Trustone** en volgen nauwgezet de Code Of Conduct op. Ethische praktijken en kwaliteit staan voorop.

Stone Senses by Stone Consulting staat voor meesterschap, innovatie, ervaring, controle over de productieketen en naleving van normen.

In deze catalogo presenteren wij u met trots een grote selectie esthetische en kwalitatieve natuursteen voor uw volgende project.
